

There are new things happening in St. Andrew's

Please familiarize yourself with the following changes.

****New Parish Phone Number****

Effective 7/3/2017, the new parish phone number is **(609) 758-2153** which will be answered at the Church of the Assumption. The old parish phone number is now forwarded to this new number.

****Mass Cards****

Mass cards can be obtained before and after all Masses just ask one of the office staff to assist. Mass offerings are now \$10.00. If no one is available to assist, you can email us at office@standrewsjobstown.org or businessmanager@standrewsjobstown.org. **Please leave a phone number where you can be reached**

****Missalettes****

Starting the first weekend in August, missalettes will no longer be placed at the seats in the church hall worship area. Parish family members praying in this area need to pick up books from carts as they enter, and returning the books to the carts as they exit.

There are a couple of reasons why this switch is being made. First, it is not possible to anticipate exactly where people will choose to sit. Books are scattered as evenly as we can, but there is so much movement in the hall, books are often dropped or falling on the floor. The dropping of the books causes damage, and by the end of a season, the missalettes and their covers are a mess. Second, and the more important reason, is that each week during the school year the books must all be gathered every Sunday to set up for Religious Ed., then redistributed after classes are over and the hall reset. This is a huge task we can all assist with by picking up and then putting away the books we use each Sunday.

Your help is very much appreciated.

As we go forward, your Parish Council will continue to keep you informed. Check our website and the bulletin for updates and please feel free to ask any council members if you have questions.

Thank you and God Bless.
